

Ankit Sharma

Frontend-Developer

I'm a front-end developer with 3.5+ years of experience, I possess an impressive arsenal of skills in Next.js, React.js, Javascript, Sass, Tailwind, Redux Toolkit, etc. My expertise lies in crafting dynamic, engaging interfaces through writing optimized and clean code and using cutting-edge development tools and techniques. I'm also a team player who thrives in collaborating with cross-functional teams to produce outstanding web applications.
